THE SCOOP ON THE ART AUCTION

WHAT TO EXPECT

The Art Auction is an annual fundraising event put on by the Fort St. John Community Arts Council. This year we are putting on the ritz with a theme a Roaring 20s theme. The ballroom will be fully decked out, and attendees are encouraged to dress in their best 20s fashion (or you can come in whatever makes you feel your best, there's no requirement to stay on theme). This fabulous event is fully catered by the in house chef. Throughout the night you can bid on silent auction items, enter bucket draws, and a 50/50 draw. Attendees will also be able to enjoy games (with prizes), and live art demonstrations from local artists. The biggest part of the event is of course the live auction. Dozens of artists have donated their finest works to be sold to the highest bidder. Our charismatic MC and expert auctioneer make sure that the bidding process is seamless and stress-free.
